

DID YOU KNOW

This is an explanation of the \$1,091,834 million of taxpayer dollars, pledged by our elected officials to support the development of the Des Moines Regional Plan for Sustainable Development The Tomorrow Plan

The following list contains names of our elected officials who have signed onto the MPO Consortium with in-kind contributions to develop the Tomorrow Plan objectives.

Find your elected official, city or county government representative and contact them to advise that you are against Sustainable Initiatives under the United Nations Agenda 21

Take action by attending County Board of Supervisor meetings and City Council meetings; schedules are available on line. Ask what they are specifically doing to support the Tomorrow Plan and more important, why!

EXAMPLE OF SIGNED AGREEMENT:

”Per its initial letter of intent to support the Project, Dallas County will provide up to 624 hours of professional staff time over the course of thirty-six months, including, but not limited to, data collection, community outreach efforts, meeting participation, document review, public health planning, environmental planning, and general multi-disciplinary planning work related to incorporating the Project with Dallas County planning activities.”

“If any signatory fails to fulfill its responsibilities (i.e, its commitment, as stated under *Roles & Responsibilities of Signatories to this Agreement*), the entity will be required to tender an equivalent amount in a cash payment to the MPO in order to meet its share of the match/leverage amount, as noted on page 1 of the HUD 1044 Continuation Sheet (Appendix B).” The total commitment for Dallas County is \$6,000.
