DID YOU KNOW

The \$50 Million Bond Issue for Polk County is called the "Polk County Water and Land Legacy Bond"

Their web site identifies the first three years of projects. They total \$19,880,000 in the following categories:

<i>Water</i>	<i>\$2,150,000</i>
<i>Land Acquisition</i>	<i>\$5,650,000</i>
<i>Trails</i>	<i>\$4,355,000</i>
<i>Parks</i>	<i>\$7,725,000</i>

This leaves over \$30 Million to be defined later. When a County must tap its rainy day fund to meet regular obligations, asking taxpayers to authorize \$50 Million on such items is inappropriate.

Parks and trails are nice, but certainly not necessities when we are facing economic crises.

Turn your ballot over and vote NO on this undefined "slush" fund.
